

Dear Friends,

We are pleased to inform you that Dive Supply will be conducting the following SCUBAPRO Technician Training Courses in 2018.

Level 1	Monday 8 th Oct 1.5 days
Level 2	Monday 15 th Oct 2 days

- **SCUBAPRO Technician - Level 1** for beginners/Instructors
Content: Non-Balanced regulator systems – MK2EVO/R295, BPI (Balanced power inflator)
- **SCUBAPRO Technician - Level 2** for experienced technicians
Content: Balanced systems, MK25EVO, MK11/17, S600, A700, Air2

The program covers the theory and mechanical operation of Scubapro dive equipment, including related dive physics, repair, test and service skills and procedures.

Prerequisite: Level 1 Divemaster / Instructor or Service Technician
Level 2 Certified Scubapro Level 1 Technician (one year's experience)

Language: English

Location of Training: Dive Supply Chalong Phuket

Duration: Dependant on Dates requested;
Level 1: 09:00-18:00 & 09:00 – 12:00
Level 2: 09:00-18:00 & 09:00 – 18:00

Prerequisites Courses are only open to Divemaster / Instructors or service technicians working in the Thailand diving industry; we cannot accept applicants from outside of Thailand.

Certificate: Upon successful completion of the program, participants will receive a SCUBAPRO certificate authorizing them to perform technical servicing on SCUBAPRO equipment covered during the training (MK2 EVO / R-series, BPI) and/or (MK25 EVO, MK11/17, S600, A700, Air2) under the supervision of an authorized SCUBAPRO dealer.

Training Material: Participants will receive a full set of manuals and schematics from Dive Supply.

Tools: Will be supplied during the training sessions. We recommend that all participants purchase / own at least one set of the listed tools before servicing any equipment

Course Fee: 5,000 Baht per participant / per course
