

Dear Friends,

We are pleased to inform you that Dive Supply will be conducting the following SCUBAPRO Technician Training Courses in 2019.

Level 1	Tues 28 <sup>th</sup> & Wed 29 <sup>th</sup> May 1.5 Days
Level 1	Tues 30 <sup>th</sup> & Wed 31 <sup>st</sup> July 1.5 Days

- **SCUBAPRO Technician - Level 1** for beginners/Instructors  
Content: Non-Balanced regulator systems – MK2EVO/R295, BPI (Balanced power inflator)

The program covers the theory and mechanical operation of Scubapro dive equipment, including related dive physics, repair, test and service skills and procedures.

**Prerequisite:** Level 1 Divemaster / Instructor or Service Technician

**Language:** English

**Location of Training:** Dive Supply Chalong Phuket

**Duration:** 09:00-18:00 & 09:00 – 12:00

**Prerequisites** Courses are only open to Divemaster / Instructors or service technicians working in the Thailand diving industry; we cannot accept applicants from outside of Thailand.

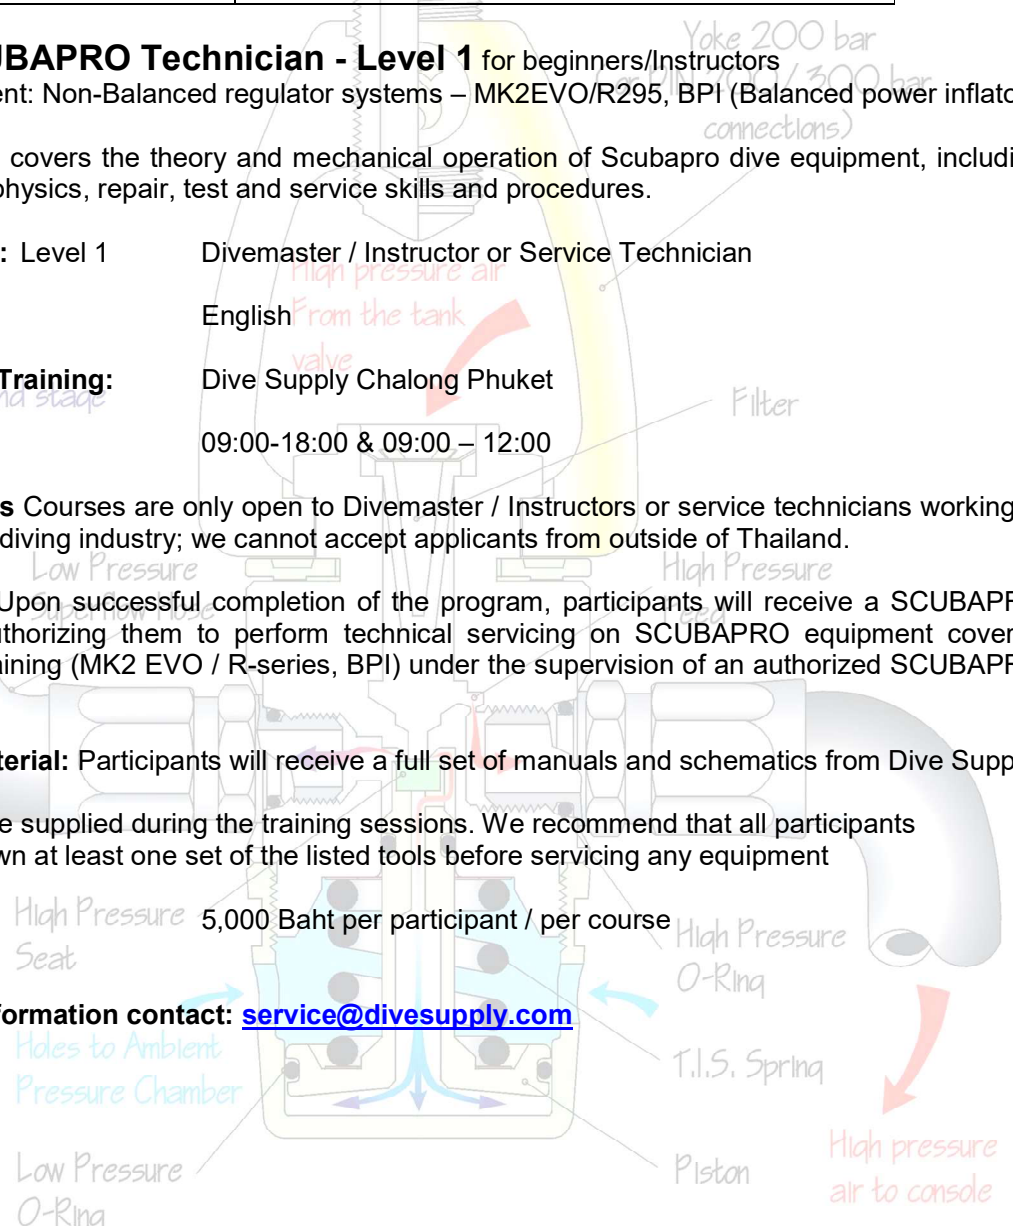

**Certificate:** Upon successful completion of the program, participants will receive a SCUBAPRO certificate authorizing them to perform technical servicing on SCUBAPRO equipment covered during the training (MK2 EVO / R-series, BPI) under the supervision of an authorized SCUBAPRO dealer.

**Training Material:** Participants will receive a full set of manuals and schematics from Dive Supply.

**Tools:** Will be supplied during the training sessions. We recommend that all participants purchase / own at least one set of the listed tools before servicing any equipment

**Course Fee:** 5,000 Baht per participant / per course
